#### **Initial tips for community building**

Start the marking period with getting to know you exercises.  
Individually acknowledge all attending students each morning.  
Have the students share something about their current live?  
Have students share something they are looking forward to in the near future.

#### **Sample Community Building Discussion Topics**

What do you do when you aren't doing schoolwork?  
What problems do you want to solve?  
What do you wish people could know about you?  
What skill, hobby or talent would you want to learn or get better at?  
Really Listen, take notes, paraphrase so they feel heard
